EDITOR'S BOTTOMLINE

KRISHNA FOR TWO-FOLD FAITH: ***The Bhagavad Gita teaches everyone to live well, but one should develop the correct perspective and develop the knowledge that can awaken one's inner being and transform one. Chapter III of the Gita shows us how to achieve this, said Swami Mitranandaji in a discourse.***

When Arjuna was caught on the horns of a dilemma over the terrible Kurukshetra war, he asked Lord Krishna to show him clearly which path to pursue, whether the one of action or that of knowledge. Lord Krishna points out that a two-fold faith has been declared by Him for the human race even earlier than the Mahabharat war: the way of knowledge for the Sankhyas and the way of action for the Yogis. The path of a sankhya however calls for a logical, rational mindset, with a completely still inner core, which not many of us possess. The mere act of meditation or pursuit of knowledge without mastery over the senses is a futile exercise. Krishna says fix your mind upon Me and remain there. Most devotees, aspiring for a calm mind, find it tough to achieve that meditative state. This state of restlessness is natural since each one conducts himself on earth as per his prakriti (guna).

When one channelises that restlessness into work, one is well on the path to spiritual progression. Work is worship. Having well managed the senses and the mind, he who pursues karma yoga by involving senses of action (moderating not withdrawing) into work and in that work remain detached, such a person is on the right path to reach God. Hanuman dedicated his entire life to service, and did what he had to do, with complete detachment but full focus. It is Rama who came to him and embraced him time and again.—*In The Hindu*

Students drop egg from 83ft to break record

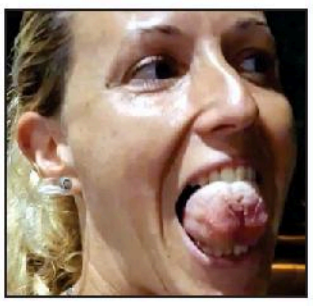
Philadelphia: A team of Pennsylvania students broke a Guinness World Record by dropping an egg from a height of 83 feet without it breaking.

The Tredyffrin-Easttown School District students, dubed the T/E Egg Drop Team, built a protective covering that allowed their egg to fall from the soaring height without cracking its shell.

The team dropped their egg from a height of 83 feet and broke the record of 54.13 feet, which was set by Ritesh of India in December 2023.

The Egg Drop Team was comprised of Conestoga High School seniors Matthew Ma, Charlie Gawthrop and Jeffrey Wang, along with Valley Forge Middle School student Breckin Shefflerwood and teacher Derrick Wood.

Woman's thick tongue earns world record



Paris: An Italian woman's massive mouth muscle earned her a Guinness World Record when her tongue was confirmed to have a larger circumference than a ping pong ball.

Ambra Collina, 37, told Guinness World Records she decided to apply for the record after seeing photos of Dante Barnes, the former holder of the male version of the largest tongue circumference record.

Collina's tongue was measured three times by a doctor and the average, 5.44 inches, became the official measurement.

She took the female version of the record from Oregon resident Jenny DuVander, who was awarded the title earlier this year with a measurement of 5.21 inches.

The male version is currently held by Belgian Sacha Feiner, whose tongue measures 6.69 inches in circumference.

Dasara sanctity LOST

MLC A.H. Vishwanath addressing a press meet at Jaladarshini Guest House this morning.

By delivering a political speech at the inaugural ceremony of Dasara, Chief Minister Siddaramaiah and chief guest litterateur Dr. Hampa Nagarajaiah have desecrated the holy shrine and ruined the sanctity of *Nada Habba*: MLC A.H. Vishwanath

Mysuru, Oct. 4 (BLU&DM)- MLC A.H. Vishwanath has strongly criticised the political speeches made during the inauguration of Dasara-2024 atop Chamundi Hill yesterday, asserting that the event lost its sanctity due to the political undertones.

Speaking to reporters at Jaladarshini Guest House here this morning, he stated that Chief Minister Siddaramaiah exploited the traditional Dasara inauguration to advance his political agenda.

"CM Siddaramaiah, who once spoke lightly of the Gods, has now sought the blessings of Goddess Chamundeshwari, the presiding deity of Mysuru," he said.

City soaks with radiance as Dasara lights dazzle

Grand spectacle by 1,500 drones on Oct. 6, 7, 11 and 12 from 8 pm to 8.15 pm at Bannimantap Parade Grounds

Hundreds of people on two-three-and-four wheelers thronged city centre to see Dasara illumination while some took Ambaari bus ride to have a better view of illumination.

Mysuru, Oct. 4 (SPN&BCT)- The Central Business District of Mysuru city is aglow with dazzling lights as part of the grand Dasara celebrations. This radiant spectacle is captivating onlookers with its vibrant and artistic displays. Deputy Chief Minister D.K. Shivakumar formally inaugurated the illumination last evening.

The initiative of Chamundeshwari Electricity Supply Corporation (CESC) was launched beneath the Green Pandal of Sayyaji Rao Road. In all, CESC has installed a stunning 126.11 kilometres of lighting this year.

Electric chariot

One of the attractions include an 'Electric Chariot,' a tribute to the efforts of the 'power men' who brave challenges to ensure seamless service. The chariot will tour key locations in the city, serving as a beacon of public awareness.

Decorative lighting has been installed on roads around the Mysore Palace, including Sayyaji Rao Road, B.N. Road, Irwin Road, Albert Victor Road, JLB Road, Chamaraja Double Road and key highways on the city's outskirts. Additionally, major traffic circles within the city have been adorned with attractive lighting.

Moreover, over 65 artistic light installations have been set up in various locations such as Doddakere Maidan, K.R. Circle, Chamaraja Circle, Jayachamaraja Wadiyar Circle (Hardinge Circle), Ramaswamy Circle, near the Railway Station, Gun House, and LIC Circle, all of which are expected to become focal points of public attraction.

In total, 101 Circles, 61 replicas and over 24 other areas have been illuminated. CESC has deployed 50 engineers, 200 staff, 80 electrical contractors, and 650 skilled workers for this effort.

21-day attraction

This year, the Dasara lighting display will last for a total of 21 days at a cost of Rs. 6.50 crore at 2,881 kVA of power, using around 2,42,012 units of electricity for the entire event.

Drone Show to sparkle

For the first time, a drone show has been introduced. 1,500 drones, equipped with LED bulbs, will create stunning designs in the sky. The drone show will be held on Oct. 6, 7, 11 and 12 from 8 pm to 8.15 pm at the Bannimantap Parade Grounds. Free entry is on Oct. 6 and Oct. 7.

Roads from K.R. Circle to D. Devaraj Urs Road, JLB Road, Old DC Office Road and Hinkal flyover near the Outer Ring Road have been illuminated with special LED bulb designs, adding to the festive charm.

Special illumination and installations at Dasara Exhibition Grounds beckon visitors in hordes.

Constitutional Morality requires CM's resignation in MUDA site scam

G.T. Devegowda's defence of CM's stand not acceptable...!

Politicians swearing and pledging in the name of the Preamble of the Indian Constitution during the inaugural ceremony of Dasara-2024 in front of Goddess Chamundeshwari Temple atop Chamundi Hill yesterday.

Sir,

G.T. Devegowda (GTD), the JD(S) MLA representing Chamundeshwari Constituency, which includes Chamundi Hill, made a reference to Chief Minister Siddaramaiah during the inauguration of Dasara-2024 festivities atop Chamundi Hill yesterday, saying that the Chief Minister need not resign simply because an FIR has been registered against him.

GTD also asked whether Union Minister H.D. Kumaraswamy of JD(S) against whom an FIR has been filed, should resign.

Stating that there are many Ministers against whom FIRs are filed, G.T. Devegowda asked, should all of them go to Vidhana Soudha and resign?

Though an FIR has been filed against H.D. Kumaraswamy, the Police Officers investigating the case are under the State Government's control and the accused Kumaraswamy has no power over those investigating officers. Therefore, H.D. Kumaraswamy need not resign.

But the accused No. 1 in MUDA scam Siddaramaiah must resign because the investigating Police Officers in this case are controlled by the Siddaramaiah Government. Naturally, this raises questions that should be clear to anyone with basic common sense.

Former Lokayukta Justice N. Santosh Hegde once remarked that the Lokayukta has only administrative authority and no investigative powers. This power rests solely with the Police under the Government's control. He noted that under such constraints, even the Lokayukta can do little and must proceed based on the Police investigation report submitted to it. Even the current Lokayukta Justice B.S. Patil echoed the same opinion in a recent interview to a TV channel.

High Court Judge Justice M. Nagaprasanna, while ruling on a petition filed by Chief Minister Siddaramaiah challenging the Governor's sanction for his prosecution in the MUDA scam, stated that the Governor had thoroughly examined the case from all angles before granting sanction. The Judge asserted that an investigation into Siddaramaiah must proceed.

Following the verdict, senior advocate Abhishek Manu Singhvi, representing Siddaramaiah, requested a 15-day stay on the ruling. However, Justice Nagaprasanna refused, explaining that he could not stay his own verdict as Siddaramaiah can seek relief in an appeal. However, Siddaramaiah is yet to file an appeal, which is a separate issue.

Nevertheless, MLA G.T. Devegowda's assertion that CM Siddaramaiah need not resign is legally and morally indefensible under any circumstances, neither under the **Constitutional Morality** nor under the **principle of natural justice.** Not surprising, I learn, a writ petition is filed seeking to hand over the investigation to the CBI.

It is a paradox that the Congressmen, who swear by the Preamble of the Constitution and took a pledge on it at the function atop Chamundi Hill — which looked odd at a religious function — failed to respect the **Constitutional Morality** in the matter of MUDA site scam.

Changing the Game

Rendezvous with Indian Men's Hockey Team Captain Harmanpreet Singh

He is just 28 and has already achieved legendary status in Indian Hockey. Known as one of the best drag flickers in the world, Harmanpreet Singh led the Indian Men's Hockey Team to a bronze medal at the recently concluded 2024 Paris Olympics.

Twice named Player of the Year by Fédération Internationale de Hockey (FIH), Harmanpreet's accomplishments are nothing short of extraordinary. *Star of Mysore* caught up with the Captain at Hotel Radisson Blu Plaza yesterday during his visit to the Heritage City of Mysuru to inaugurate this year's Dasara Sports. — **Excerpts:**

By S.N. Venkatnag Sobers

Star of Mysore (SOM): How does it feel to be a double Olympic bronze medallist?

Harmanpreet Singh: It feels great to have won two back-to-back bronze medals at the Olympics. Compared to previous years, the hockey scene in the country is improving, which is great news for the hockey community and for India.

SOM: We noticed your celebrations were particularly emotional, especially with P.J. Sreejesh. Can you tell us more about that?

Harmanpreet Singh: Sree Bhai (Sreejesh) has dedicated a lot of time to Indian Hockey, from playing for the junior side to the 2024 Olympics. His contribution to the team has been immense. He had already announced that this would be his last Olympic Games and that he would retire from the sport. It was a deeply emotional moment for the entire team. We were together when the Indian men's hockey team won bronze at the 2020 Tokyo Olympics, and we exchanged our medals then. This time, we did something similar to honour that bond and his incredible journey.

SOM: What would you like to say about Sreejesh?

Harmanpreet Singh: He's a true legend. It's not easy to stay committed to a sport for such a long time and remain fit. It requires a lot of sacrifices and dedication. Now that he's decided to retire for good, we felt it was only fitting to give him a proper send-off with a medal, which we did, and I'm really happy about that.

SOM: After returning from the Olympics, the Indian men's team won the Asian Champions Trophy. Looking ahead, India will compete in the Hockey Pro League, followed by the Asia Cup and World Cup. How is the team preparing for these challenges?

Harmanpreet Singh: The team is preparing well. But before that, we'll be playing many games. Next year, we have the Pro League, followed by the Asia Cup. We are focusing on the Asia Cup because it's our chance to qualify directly for the 2026 World Cup. Every match and tournament is crucial for us, and it's important to maintain our momentum. This month, we will be playing against Germany, followed by the Indian Hockey League. We have a good number of matches and tournaments lined up to prepare for the bigger events.

Former Indian Hockey player and Arjuna Awardee S.V. Sunil** (left) **from Kodagu, who accompanied Indian Hockey Team Captain Harmanpreet Singh during his Mysuru visit, posed for** SOM **at Hotel Radisson Blu Plaza in city last evening.

SOM: The Indian Hockey Team has performed well in recent years under Head Coach Craig Fulton. What's your take on that?

Harmanpreet Singh: Craig is an excellent coach with vast experience. He brings a lot of new ideas to the team, which have been incredibly helpful. Since he took over as head coach, we've won several medals and tournaments. I hope we continue to achieve more under his guidance.

SOM: Cricket has always received more attention in the country. Do you see any changes in this trend?

Harmanpreet Singh: Yes, there have been significant changes, especially after this Olympics. The last time we won a medal, it was after a long gap, and while people were happy, not many had followed hockey closely. This time, though, people actively followed the sport and cheered us on throughout. Our hockey matches had much higher viewership compared to previous Olympics. I think people's mindset is changing. While I won't say everyone should only watch hockey, it's important to encourage all athletes representing the country, no matter the sport.

SOM: At just 28, you've become the captain of Indian Hockey Team. Did you ever imagine playing for and leading the national team when you started?

Harmanpreet Singh: I never imagined playing for the country when I first started. My focus was always on giving my best, putting in the dedication and effort, which is key for any athlete. Watching matches on TV and being inspired by players who represented India motivated me to work harder and make it into the national team. I wanted to contribute at the international level and help win an Olympic medal.

SOM: This is your first visit to Mysuru. How does it feel to inaugurate the Mysuru Dasara Sports Meet?

Harmanpreet Singh: I'm thrilled to have inaugurated this year's Mysuru Dasara Sports. I've heard a lot about Mysuru Dasara being the biggest festival in South India, and being here for the first time is really exciting. The Karnataka Government has been encouraging sports, which is great for future generations. I hope young athletes take full advantage of the opportunities and facilities to reach great heights in their chosen sports■

Five guarantees bloom at Dasara Flower Show

Mysuru, Oct. 4 (MTY&BCT)- The Congress Government's five poll guarantees, which played a crucial role in its electoral victory, took centre stage at this year's Dasara Flower Show being held at Kuppanna Park (Nishad Bagh) in city.

A prominent highlight of the event is the thematic floral display showcasing these flagship schemes. **The vibrant models represent Anna Bhagya (free rice distribution), Yuva Nidhi (monthly financial aid for the unemployed), Gruha Jyothi (free electricity up to 200 units for households), Shakti Yojana (free bus travel for women in KSRTC buses) and Gruha Lakshmi (monthly income support for women).**

These floral creations vividly bring the Government's ambitious welfare programmes to life in a colourful and artistic manner.

As part of the grand Dasara celebrations, Chief Minister Siddaramaiah inaugurated the stunning Dasara Flower Show, marvelling at the intricate floral creations of the old and circular Parliament House, Basavanna's Anubhava Mantapa and the representation of democracy from Gautama Buddha's era, all meticulously crafted from millions of flowers inside the Glass House.

The Flower Show, organised by the Department of Horticulture and the Horticulture Society, has become the highlight of the festival, attracting scores of visitors with its floral masterpieces. The vibrant display includes millions of flowering plants, with delicate floral models becoming the focal point.

On the inaugural day of Dasara yesterday afternoon, CM Siddaramaiah toured Kuppanna Park, taking in the beauty of the floral display. Inside the Glass House, the CM admired the floral models of Parliament House, the iconic 12th-century Anubhava Mantapa of Basavanna and the depiction of democratic assemblies from Gautama Buddha's time.

In front of the old Parliament House model stood floral statues of India's prominent leaders — Mahatma Gandhi, Jawaharlal Nehru, Sardar Vallabhbhai Patel, Dr. B.R. Ambedkar and Dr. Babu Jagjivan Ram. The CM expressed his appreciation for the artistry and gathered insights into the flower show's various elements.

Additionally, the show highlights Karnataka's progress through floral depictions of key milestones achieved by the Wadiyars of Mysore such as the Bhadravathi Iron Works, Shivanasamudra Power Plant, University of Mysore and Akashavani Mysore (All India Radio).

Karnataka Sambhrama

At the entrance of the park, a striking floral map of Karnataka, crafted in yellow and red roses, celebrates the Karnataka Sambhrama-50. Flanking this floral tribute are an elephant model and a replica of Team India's T20 World Cup trophy, adding a special touch for sports fans.

Among the special attractions this year is a unique model of Savitribai Phule, India's first female teacher and a figurine depicting a human body as half a farmer and half a soldier.

Another highlight is the statue of Male Mahadeshwara Swamy riding a tiger, along with a stunning floral recreation of Karnataka's largest temple — Srikanteshwara Swamy Temple of Nanjangud — and Sri Chamundeshwari Temple, Mysuru beckoning devotees to its floral embrace.

Dignitaries present on the occasion included District Incharge Minister Dr. H.C. Mahadevappa, MLC C.N. Manjegowda, MLAs D. Ravishankar and A.R. Krishnamurthy, Deputy Commissioner G. Lakshmikanth Reddy, ZP CEO K.M. Gayathri, MCC Commissioner Ashad-Ur-Rehman Shariff, Deputy Director of Horticulture Manjunath Angadi, Senior Assistant Directors Habiba Nishath and Naveen, along with members of the Horticulture Association.

Echo of MLA G.T. Devegowda defending CM

Culprits are colluding & conspiring to escape MUDA investigation: Snehamayi Krishna

- **GTD may be acting on self-interest, might be involved in illegal activities related to MUDA**
- **I possess evidence that District Minister Dr. H.C. Mahadevappa's nephew was granted a MUDA site, so also MUDA Chairman K. Marigowda's brother Shivanna**

Mysuru, Oct. 4 (RK, BLU& BCT)- Responding to the surprising statements by Chamundeshwari MLA G.T. Devegowda (GTD), who is a part of the Opposition JD(S) in State, RTI activist and the complainant in the MUDA case, Snehamayi Krishna alleged, "this is nothing but a political collusion by conspirators. Thieves are uniting for their own protection."

Snehamayi Krishna

Yesterday, speaking at the Dasara inauguration ceremony atop Chamundi Hill, GTD had defended Chief Minister Siddaramaiah by saying that the CM should not resign merely because an FIR has been filed against him at the direction of the High Court. The statement was contrary to his own party's demand that the CM should resign.

Speaking to reporters this morning, he said, "GTD with his statement has displayed self-interest. It is only natural for opposition parties to praise the ruling party when they have to safeguard their interests and illegally acquired properties. The law treats everyone equally, and in the coming days, all illegalities will be exposed, regardless of political adjustments."

Snehamayi Krishna suggested that GTD might be involved in illegal activities related to MUDA, asserting that various parties could be colluding, cooperating and conspiring to shield themselves from scrutiny.

"Legal matters will proceed as per documents and proof. The rot in MUDA will be exposed," Snehmayi Krishna said.

"Irregularities have occurred in MUDA through sale deeds and I have provided information regarding this. I possess evidence that District Minister Dr. H.C. Mahadevappa's nephew was granted a MUDA site, as well as sites awarded to MUDA Chairman K. Marigowda's brother Shivanna through sale deeds," he stated.

"All witnesses and accused individuals will be interrogated and the Lokayukta and Enforcement Directorate (ED) will investigate everyone, including CM Siddaramaiah. GTD's praise of the CM raises concerns that all involved parties appear to be uniting in this context, indicating a possible conspiracy to mislead the investigation," Snehmayi Krishna noted.

Lokayukta Police inspect disputed 14 sites in Vijayanagar 3rd & 4th Stages

Lokayukta Police team inspecting 14 sites in Vijayanagar this morning.

Mysuru, Oct. 4 (RK, BLU& BCT)- After inspecting the 3.16-acre land at Kesare earlier owned by Chief Minister Siddaramaiah's wife B.M. Parvathi, the Mysuru Lokayukta Police this morning inspected the 14 sites Parvathi had got from the Mysuru Urban Development Authority (MUDA) in lieu of her land at Kesare. Now all the 14 sites have been returned to MUDA.

The Lokayukta Police team was led by Superintendent of Police T.J. Udesh and complainant Snehamayi Krishna also accompanied the team.

The Lokayukta Police team first visited the eight sites on Jodi Bevina Mara Road in Vijayanagar Third Stage and six sites near Basavanahalli in Vijayanagar Fourth Stage. The measurements of all the sites were taken and their market value — SR value — was assessed.

SR value, or the Schedule of Rates value, is the minimum price at which a property can be registered in the sub-registrar's office in Karnataka.

Officials conducted a thorough examination based on the site numbers, dimensions, and ownership details outlined in the information map. They ensured that sites marked for return are genuinely available, considering the changes in ownership — from Parvathi to MUDA — that have already taken place.

Dasara sanctity lost

(Continued from page 3)

"The Dasara inauguration yesterday devolved into a political platform, with CM Siddaramaiah, MLA G.T. Devegowda (GTD), and even the inaugurator, Dr. Hampana, delivering speeches laden with political tones. It was more of a political event than a devotional one," Vishwanath lamented.

He noted that the speakers, focused on their political agendas, overlooked the rich history of Nada Habba Dasara. "Dasara has shifted from being a public celebration to a political affair," he stated, adding that politicians have brought Dasara to a new low.

Is GTD a MUDA beneficiary?

Regarding MLA G.T. Devegowda's (GTD) praise for Siddaramaiah, he described it as mere flattery and theatrics. "One must wonder whether GTD is a beneficiary of the MUDA scam," he remarked, implying that the MLA's unnecessary adulation of the CM raises suspicions about his own connections to several MUDA sites.

"GTD turned the entire inauguration into a farce, and there is no excuse for this. The function became hypocritical, with everyone patting themselves on the back. It is truly unfortunate that nobody took the time to speak about Goddess Chamundeshwari, the erstwhile Mysuru Maharajas, or the glory of Dasara," he regretted.

He further noted that Union Minister and JD(S) leader H.D. Kumaraswamy has appointed a Non-Vokkaliga leader (C.B. Sureshbabu of the Kuruba community) as the Legislative Party leader of the JD(S), fearing that appointing a Vokkaliga leader might be detrimental to the party in the future.

Vishwanath pointed out that no one from the Opposition has explicitly declared intentions to topple the State government, asserting that the Government is propagating this false narrative to protect itself amid the MUDA scam and divert public attention from it.

Netas sullied Mysuru's reputation

The MLC questioned whether Siddaramaiah had overlooked the verdict delivered by Justice M. Nagaprasanna, emphasising that the CM's wife wrote an emotional letter expressing her intention to return the 14 sites just hours after the Enforcement Directorate's intervention.

He maintained that returning the sites does not erase the wrongdoing, arguing that the offence remains even if it is acknowledged. Vishwanath expressed scepticism about GTD's sudden vocal support for the CM, noting that the MLA has remained silent on the issue until now and allegedly possesses multiple MUDA sites himself.

"Politicians are responsible for tarnishing Mysuru's reputation. There must be an investigation into all MUDA site allocations, and previous MUDA Commissioners should face imprisonment for their misconduct," he declared.

MUDA Commissioner's authority

He further questioned the current MUDA Commissioner's authority to cancel the Khata of the returned sites while the case is still under judicial review.

"Siddaramaiah should first read the 197-page verdict from the High Court. A thorough investigation into the entire MUDA scam is necessary. The current MUDA Commissioner must also be held accountable for hastily cancelling the Khata of the returned sites without properly examining the process," he stated, challenging the Commissioner's powers to unilaterally annul the Khata.

Vishwanath argued that Siddaramaiah's remarks seem to suggest he operates above the law, accusing him of undermining the rule of law. He added that the Lokayukta case against Siddaramaiah cannot be withdrawn unilaterally, even after the CM's wife returned the 14 sites.

Addressing a meeting of Traffic Police Inspectors and Sub-Inspectors, at the meeting hall of Police Commissioner's Office in Nazarbad, she said, lakhs of people are expected to descend on city, causing a spurt in the number of vehicular traffic.

With national and international tourists expected to come in droves, the traffic should be allowed to move on without any disruption, along with suitable parking arrangements and imposition of one-way traffic system to avoid traffic jams. Police should stay put on the roads and circles, manning the traffic without giving room for any complaints, besides helping tourists reach the venues, by discharging the duties in a people-friendly manner, she advised.

Valedictory of Sixth Zonal-level Police Duty Meet at KPA auditorium

'Hone skills in scientific investigation methods'

Mysuru, Oct. 4 (PM&BS)- DIGP (Southern Range) Dr. M.B. Boralingaiah has said that more emphasis has been laid on scientific methods of investigation in the newly implemented criminal laws. Hence, the Police should follow the suit to take the criminal cases to its logical end, to provide justice to the victims.

The DIGP was presiding over the valedictory ceremony of sixth zonal-level Police Duty Meet-2024 of the Southern Range, at the new auditorium of Karnataka Police Academy (KPA) here on Tuesday.

Dog Handler B.P. Manmohan receiving the 'Best Dog Award' for his dog Copper from DIGP (Southern Range) Dr. Boralingaiah as SP N. Vishnuvardhana and others look on.

Dr. Boralingaiah said, the scientific evidence assumes significance than the oral evidence in the investigation of any cases. The officers and the personnel should evince more interest and study the scientific investigation methods. To improve efficacy of the personnel in the department, sports and other activities are being organised. Sports helps in increasing the physical ability of the personnel and brings positive impact in the functioning of Department.

Accordingly, we have to take key responsibility in taking the cases to its logical end. We have to develop the ability to gather evidences, after registering criminal cases, followed by investigation. The next level is submission of charge sheet to the Court to facilitate the Public Prosecutor to argue the case convincingly and ensure that the guilty is brought to book and the victims get justice, he said.

Be it any investigation, we should take more interest. The method of gathering scientific evidence includes, dog squad, inspection of crime scene, collection of finger prints, DNA and photographic evidences and related reports. The investigators should achieve capability in these methods of investigation and the Police Duty Meet comes in handy in honing these qualities, he said.

The rate of conviction is low in criminal justice system. Especially in the cases of harassment, the rate of conviction is between 2 percent and 3 percent. Hence, we have to add more teeth in rendering justice to the victims, said the DIGP.

Earlier, prizes were distributed to the winners of various competitions organised as part of Police Duty Meet.

Superintendent of Police N. Vishnuvardhana, Mysuru KPA Deputy Director S.L. Channabasavanna, System Analyst, State Crime Record Bureau, Bengaluru, N. Nagesh, Deputy Director of Regional Forensic Science Laboratory (RFSL), Chandrashekar and Additional SP S. Nagesh were present.

Dy.SP (Southern Range) S. Nikhita spoke, while Dy.SP, DAR, H.V. Veeranna delivered the introductory address. Dy.SP of CEN Police Station Raghu proposed the vote of thanks.

PSI of SP Office Sunil Mirle compered the programme.

Name boards of Kannada literary giants in Dasara expo removed

Irked activists urge for re-installation

Mysuru, Oct. 4 (BS)- The pathways inside Dasara Exhibition Grounds had been named after doyens of Kannada literature and pro-Kannada activists. However, now these name boards have been dismantled by Karnataka Exhibition Authority (KEA), only to irk Kannada admirers.

General Secretary of Kannada Kriya Samiti, Mysuru, S.R. Sudarshan has stated, the pathways of the exhibition grounds had been named after reputed Kannada litterateurs like Rashtrakavi Kuvempu, B.V. Karanth, D.R. Bendre among over 30 others, during the tenure of R. Raghu as KEA Chairman. The names of the litterateurs had been recommended by the Chairman of Kannada Implementation Committee headed by him (Sudarshan). The concrete boards bearing the names of these writers had been installed, as a permanent initiative.

Unfortunately, the present KEA Chairman who lacks knowledge about these matters of significance, has removed all those boards and dumped in a place. Among the pile of these boards, the board of Jnanpith awardee litterateur V.K. Gokak is clearly visible, which shows how poor we are in possessing a sense of heritage. It is condemnable that, such abominable act has happened, coinciding with the inauguration of Dasara, a heritage festival, said Kannada activist.

Kannada Kriya Samiti exhorts KEA Chairman Ayub Khan, who has been supporting pro-Kannada movements, to restore these name boards at the earliest.

Mohammad Ghazni's culture: Vijayendra

Meanwhile, State BJP President B.Y. Vijayendra on his 'X' account, has termed the very incident as 'Reign of Mohammad Ghazni's Culture by Congress Government on the opening day of Dasara'.

Congress Government has insulted the great personalities of Kannada Nadu, by highlighting the culture of Mohammad Ghazni, who had plundered Hindu temples, which is a black mark for the *Nada Habba*.

By naming the roads after Saints Purandaradasa and Kanakadasa, literary giants like D.R. Bendre, Kuvempu and V.K. Gokak, Sandalwood legends like Dr. Rajkumar and T.N. Balakrishna, doyens of music like Vasudevacharya and Piteel Chowdaiah, the visitors had the opportunity to remember the noble souls of the land, stated Vijayendra in his social media post.
